Project Information

There is nothing more rewarding than giving back to someone in need. Candia Community Women's Club is looking for volunteers to help make caps, lap blankets and scarves for cancer patients. Below you will see a few requirements for making these needed items.

- Any yarn that is soft, warm and machine washable is suitable. **NO WOOL** or **WOOL BLEND** yarns as it is uncomfortable for cancer patients to wear.
- Please **DO NOT WASH** them.
- Please attach or leave a 12" piece of yarn to your item for a removable tag to be attached.
- Sizes that are needed for men & women are medium, and then small followed by large.

A great website that lists patterns for scarves and caps is www.headhuggers.org/patterns/patterns.htm.

Please feel free to contact me at any time with questions or concerns @ 587-0603 or cotejla@hotmail.com . Thank you in advanced for volunteering for such a great cause!

Happy Needle Work!
